

ADPICS 5983 COMMODITY APPROVAL PATH MAINTENANCE

Effective June 18, 1998, the ADPICS 5983 Commodity Approval Path Table Maintenance Screen will be changed to reflect the restructuring of several offices within the Department of Management and Budget.

- Documents created on or after June 18, 1998, will go through the new approval path;
- Documents created before June 18, 1998, will go through the old approval path.
